# HIGHLIGHTS OF THE YEAR

(SEPT 2023 - AUGUST 2024: A YEAR OF SPIRITUAL GROWTH AND MILESTONES)

As we celebrate our 12th year in ministry, we look back on the past year with hearts full of gratitude and awe for all that God has accomplished in and through us. This year has been marked by powerful encounters, spiritual growth, and significant milestones that have set the stage for the next phase and face of our ministry.

Here's a look at how the last year unfolded:

## • **September 2023: Supernatural Awakening in UNIBEN**

The year began with a stirring towards the students of the University of Benin and a powerful move of God at the UNIBEN Supernatural Awakening, held on the 15th and 16th of September 2023. The two-day event was a meeting filled with mighty insights from God's Word and practical demonstrations of the things of the Spirit. Hearts were stirred, and a consciousness of the supernatural power of God was birthed among those who attended. The event was a significant spiritual milestone, setting the tone for the months following.

## • **December 2023: Night of Prophetic Worship and End of Year Service**

2023 ended with two significant events: the Night of Prophetic Worship on December 26th, and the End of Year Service on December 31st. The Night of Prophetic Worship was an evening filled with spiritual songs, psalms, and prophetic utterances, where the power of God was tangibly present. This event was not just a music concert but a profound encounter with the divine, leaving participants with a renewed sense of worship. The End of Year Service was a time of gratitude as we received prophetic words and instructions for the year ahead. It was a service of edification and we were given a strong foundation for 2024 with words.

## • **November 2023: LTEN Camp Meeting - Heaven on Earth**

From the 21st to the 25th of November 2023, we gathered for the much-anticipated annual LTEN Camp Meeting, and this year, it was tagged "Heaven on Earth." It was five days of glory and power with God's men Reverend Eghosa Alvin Osunde, Reverend Kolawole William Ogoigbe, and Reverend Chris Segun Onayinka, where passion for God's work was stirred and encounters with the God-kind left us transformed. People came from different cities and states in the country to fellowship together and left with a mighty impartation of the Spirit. Our Reverend's new book, "Healing Yourself," was also launched, providing believers with practical steps to receive healing for themselves. This book became a significant resource for members, reinforcing our commitment to healing and health.

### • *February 2024: Celebrating Pastor Esther Isoken Osunde*

On February 28th, 2024, we had the honor of celebrating our Pastor and Mother, Pastor Esther Isoken Osunde. Her motherly love, care, and pastoral guidance have been a pillar of strength for the ministry, and the celebration was a moment to express our deep appreciation for her leadership and dedication.

### • *March 2024: General School of Ministry and Relocation to a New Venue*

March 2024 was a month of significant transitions and spiritual growth. From the 29th of March to the 1st of April, we held **The General School of Ministry (GSM)**, themed "God's Man." This meeting was in itself an encounter with God, where attendees experienced diverse manifestations of the Spirit and were equipped for the work of the ministry. We still refer to this meeting because of the impact it had on our lives. We caught a vision of God's plan for the Earth and our place in it.

In conjunction with this event, we moved to our new worship center at **Plot 27 and 28 Precious Palm Royal Road, Isiohor, Benin City**. It was not just a move to another rented place but to the first of our properties. This relocation marked the beginning of a new phase for our ministry, and the GSM was the first meeting held in our new venue, symbolizing a fresh start and a renewed commitment to our mission.

### **New Service Times and Moving Forward**

With our move to the new venue, we also established new service times to accommodate our growing congregation. Sunday services now commence at 8:00 AM, Wednesday services at 4:00 PM, a General Prayer Meeting is held on the first Friday of every month at 4:00 PM, and cell meetings are now held on Saturdays at 5:30 PM. In line with the word for the new year to pray every day, we established a prayer chain involving various cells and circles so that prayers would be offered in the Church venue daily. These changes reflect our commitment to providing consistent opportunities for spiritual growth and community.

- **April 2024: Celebrating Reverend Eghosa Alvin Osunde**

April 15th, 2024, was a day of celebration as we honored our Pastor, Reverend Eghosa Alvin Osunde, on his birthday. As we reflected on the numerous testimonies of changed lives under his leadership, our hearts were filled with honour and gratitude. His teachings and example have been a constant source of inspiration and growth for the entire ministry.

**We also began our mission to the city of Abeokuta**

- **May 2024: Healing Meeting**

The year progressed with a powerful Healing Meeting on May 6th, 2024. The tangible power of God was in demonstration as miracles abounded. We saw all manner of pains, diseases, and terminal diseases cured by the power of God. This meeting was a testament to God's mercy and goodness towards us in giving us the gift of healing as a charisma and in the form of men

- **June, July, and August**

In these months, we have seen an increase in the growth of our members, both spiritually and numerically. Our members (old and new) are awakening to all that God has made them to be, desiring to win souls, disciple men, and demonstrate the supernatural power of God. Our foundation school has also been an effective way to integrate new members into the Church system and culture.

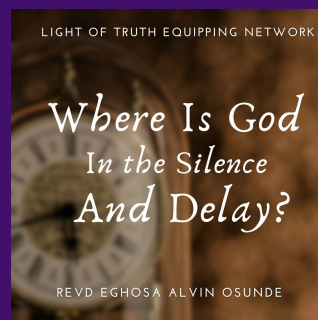

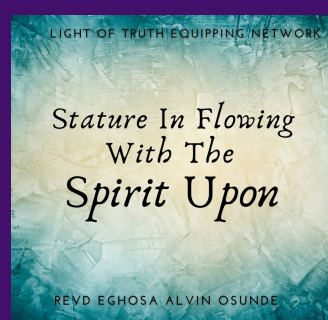

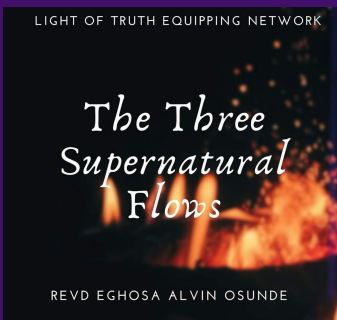

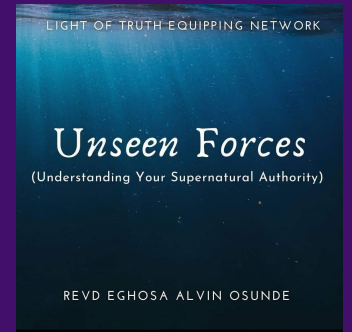

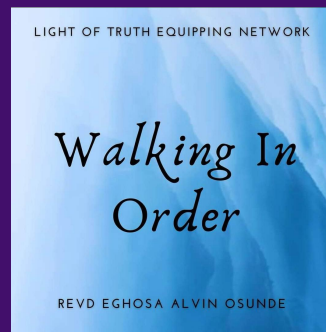

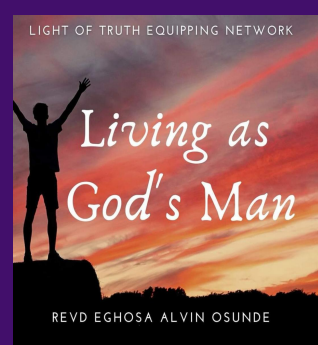

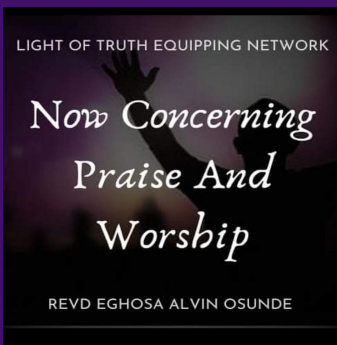

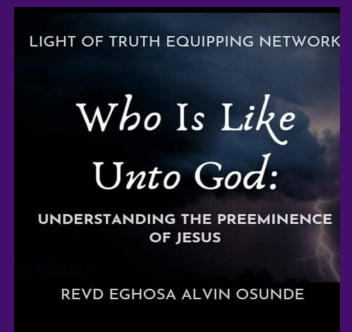

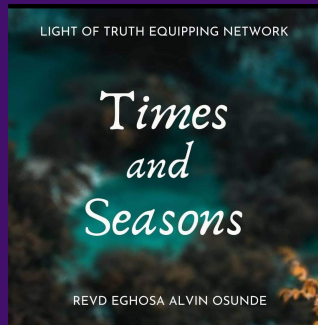

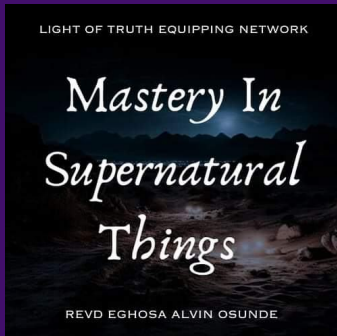

We also held our annual Pastors and Cell Leaders Conference and Workers Conference to train and equip those who serve in various capacities and to prepare them for the next phase of the work, come this 12th anniversary.

# TOP SERIES OF THE YEAR

THROUGHOUT THE YEAR, OUR MINISTRY WAS ENRICHED BY A SERIES OF IMPACTFUL TEACHINGS THAT DEEPENED OUR UNDERSTANDING OF GOD'S WORD AND EMPOWERED US TO WALK IN HIS PURPOSE. SOME OF THE TOP SERIES INCLUDED:

As We Conclude This Reflection On The Past Year, We Give All Glory To God For His Faithfulness. The Achievements, Events, and Spiritual Milestones Of The Last Year Have Set A Solid Foundation For The Future, And We Move Forward With Renewed Faith And Anticipation For What God Has In Store For Us In The Coming Year.

# GENESIS

In the quiet town of Benin, a seed was planted.

It was the 8th of September, 2012, a day like any other, yet destined to be unlike any that had come before. Beneath the shelter of a modest gathering, hearts were stirred, minds were opened, and a vision was born.

It was called **'Truth Experience'**, but it was more than a meeting; it was the first chapter in a story that would touch countless lives.

This is the story of **Light of Truth Equipping Network (LTEN)**, a tale of faith and transformation in pursuit of the divine mandate.

At the heart of the Light of Truth Equipping Network lies a sacred vision: "to teach a people truth by revelation, equipping them to be all God wants them to be, raising up a people who do the father's will and demonstrate the supernatural power of God and His Kingdom".

It's a vision rooted in revealing the truth of God's word and the reality of the Christian life, activating believers into the supernatural, and interconnecting people, giftings, and ministries under the headship of Jesus.

Under the leadership of Reverend Eghosa Alvin Osunde, the vision is brought to life within the five arms of the ministry working together in a diverse, yet singular system.

- **Truth Experience**, where people gather to be transformed by an encounter with the Spirit and the Word.
- **Christ Revolution** awakens people to who they are in Christ and what they can do and equips them to do the work of Christ.
- **Truth to the Nations**, spreading the Truth across borders into every nation, beginning from our sphere of influence to the ends of the Earth.
- **Flames and Wisdom Network**, where believers are taught to live by the wisdom of the Gospel so they are representatives of Christ in the world.
- **LTEN Schools and Fellowship**, training believers through various programs and building a fellowship of ministries for Kingdom expansion.

## THE PATH OF PURPOSE: OUR STORY

Over the years, these arms have become vessels of transformation, hosting powerful meetings. From the soul-stirring Truth Experience and the revolutionary Christ Revolution to Supernatural Activation Meetings across the nation, each meeting has left an indelible mark on the lives of attendees. Others (of no lesser quality) are Leadership Summits, Wellspring of Wisdom Conferences, Prayer Schools, Vision Seminars, the Annual General School of Ministry, and Camp Meetings, School of Biblical Studies, Masters Retreat, He Healed Them All Conferences, and the Night of Prophetic Worship.

It all began on a sunny afternoon, September 8, 2012, when a small group of believers gathered under two almond trees for the first Truth Experience meeting. The theme was simple yet memorable: **"There is a place in God."**

Just a month later, on October 8, 2012, they came together for another powerful meeting titled **"Grace for Healing."** These early gatherings, held once a month, alternated between the UNIBEN Basement Field and the Nursing Hostel.

Then came the ministry's first big gathering—a free Camp Meeting from November 15-17, 2012, themed **"PROPHETIC RETREAT: You can all prophesy."** It was held at the CPM Campground in Egba, Benin City. Those who attended left changed, prophesying, and carrying with them the fire and purpose that would fuel the ministry's journey for years to come.

From 2013 to 2016, the ministry's growth was steady and purposeful. The monthly Truth Experience meetings quickly became a weekly gathering held in different venues, like the Basement Field at UNIBEN and CGMi, House of Praise in Irlhiri. Eventually, the Basement Field became their consistent spot until 2017. It was a place where believers would gather to be taught for hours and leave rejoicing at the encounter with the Truth and Life, Christ Jesus. Though the meetings were held under open skies, they never had to worry about the weather. Time and again, just as dark clouds gathered and rain threatened to pour, a simple word of command was spoken and the skies would clear.

A pivotal moment came on February 7, 2015, when the ministry expanded with the launch of Christ Revolution at CGMi, House of Praise. In that first meeting, something extraordinary happened: two young ladies were taught to work a miracle on a broken standing fan. To everyone's hearing, the once noisy fan was silenced by a word of command. This left everyone in awe for never had they seen such a thing done and set a high expectation for what God would do in future Christ Revolution gatherings.

Week after week, the budding community witnessed the practical demonstrations of God's power through the president, and what was thrilling was that they were activated to do the same. Fellowship flourished as they grew, not just in numbers, but in unity and purpose. Occasionally, they would come together to share the Gospel and win souls for Christ. Prayer schools became a cherished part of their gatherings, where they learned to pray by precept and example.

As their numbers increased, so did the strength and communication of their faith. Each disciple could interpret the Bible, prophesy, and work mighty miracles. Their lives were living testimonies, and the stories of God's work among them spread far and wide.

## NAVIGATING CHALLENGES AND CONTINUING GROWTH (2020-2022)

By 2017, the ministry moved to the **Haven Hotel** along Uwagboe Road in Ugbowo, Benin City. This period saw significant moments in their history, starting with the first General School of Ministry from March 27-31, 2017, at CPM Campground in Egba. The year also saw the beginnings of other special meetings such as Leadership Summit under the Flames and Wisdom Network, Vision Seminars, Wellspring of Wisdom Conferences, Night of Prophetic Worship, and School of Biblical Studies.

In 2018, the ministry began to spread its wings beyond its local roots. Through the **Truth to the Nations arm**, they organized , starting in Warri on February 23-24, then in Lagos on May 4-5, and others in the coming years. Each meeting extended their reach and impact, lighting a fire in believers to operate in the supernatural and spread the Gospel.

By April 2019, the ministry had found a new nest at the **Obey God Foundation Center**, Ogbegie Street, Ugbowo, Benin City. This move brought growth as the focus on equipping believers to preach the Gospel and demonstrate the supernatural became even more intense.

Truth Experience meetings were held on Saturday at 11 am and Christ Revolution Meetings at 3 pm on Saturdays, while other special meetings were held on Mondays and Tuesdays by 4 pm. The ministry operated in an interdenominational and non-denominational manner. Believers came from various ministries, were trained, and sent people back to their local churches with a renewed passion for the Gospel and the power of God. As a result, new ministries were birthed, pastors founded works for Jesus, and leaders emerged in different cities and nations, strengthening their local churches and spreading the message far and wide.

When the world was thrown into chaos by the **COVID-19 pandemic** in 2020, the ministry faced one of its biggest challenges yet. With gatherings restricted, they adapted by holding closed-door meetings and establishing a cell structure that became a lifeline for many. These cells became more than just meetings, they were mini-communities where members could lean on each other, grow spiritually, and find support.

As the ministry navigated the challenges of 2020, they embraced a new chapter when they emphasized accountability and membership. This shift marked the **birth of LTEN Local Church in Benin City**, now more than four years strong. Though the ministry had always operated non-denominationally, this emphasis allowed people to become dedicated members of the church without needing to attend elsewhere.

While some individuals chose to remain with their original congregations, LTEN gained a loyal base of members fully committed to the vision. This period also saw the formation of departments, units, and a more structured church system, laying the foundation for continued growth and unity within the community.

In 2021, the Christ Revolution meetings were adjusted from Sunday afternoons to Sunday mornings at 7am. By 2022, the ministry had expanded even further, holding two Christ Revolution services every Sunday, reaching more people than ever before.

**The year also marked a significant milestone as the ministry acquired lands and began construction in May.**

## A NEW PHASE OF MINISTRY (2023-2024)

As 2023 rolled in, the ministry launched their **quarterly devotional** that has become a source of daily inspiration for many, with abounding testimonies both within the country and abroad. One of the year's highlights was the **"Uniben Supernatural Awakening"** meeting in September, a program that stirred a passion for the Gospel and Supernatural in the hearts of the students of Uniben with souls, mighty healings, and miracles collected for the Lord.

Then came 2024, another significant year for the ministry. **On March 29, 2024, they moved into their property at Plot 27 and 28, Precious Palm Royal Road, Isiohor, Benin City**, coinciding with the start of the General School of Ministry's 2024 edition. Alongside, they introduced **mid-week services** starting on April 3, 2024, and streamlined Sunday services to a single 8 a.m. gathering.

This move wasn't just about a new building; it represented the expansion coming to the ministry.

There has been numerical growth, wider awareness in the environs, and spiritual growth of the members. The ministry's reach has continued to expand, with **missionary work** extending to Abeokuta and plans in place for Asaba.

## A LEGACY OF IMPACT

Over the years, the ministry has trained and equipped over 1,500 individuals, including pastors and associate pastors. What started as a small group in modest locations around Benin City became a strong force with national and global relevance.

With a library of over 1,000 messages on their website, the ministry has touched lives in every state of Nigeria and over 32 countries globally. Their YouTube Live meetings have garnered tens of thousands of views, further expanding their reach. Their publications (devotionals, manuals, booklets, and magazines) have also been channels to bring the vision of LTEN to multitudes across the world.

Yet, beyond the numbers and milestones, **their greatest legacy lies in the lives transformed.** People who were once rejected and dejected have been saved and equipped to become mighty tools in the hands of the Lord. Believers and ministers, now equipped with the truth of God's Word, walk in the reality of their identity in Christ. They are confident in God's faithfulness, no longer deceived by the lies of the devil, and love the Lord relentlessly. They recognize the voice of the Lord, understand their authority, and come behind in no gifts. These individuals also excel in secular arenas, becoming giants in key sectors where they represent God and bring Heaven on Earth.

These individuals have been trained to fulfill the Great Commission: to go into all the world preaching the Gospel, discipling men, healing the sick, casting out devils, delivering the oppressed, and partnering with God to see His will done on Earth.

## THE JOURNEY AHEAD

As the ministry celebrates 12 years of God's faithfulness, there is deep gratitude for the journey so far. But with that gratitude comes anticipation, a firm belief that the best is yet to come. The road ahead is filled with promise, and the ministry is poised to begin a new phase to reach even more lives and spread the light of God's word to the ends of the earth.

To more years of teaching truth by revelation, more decades of equipping men to be all God wants them to be, and raising up a people who do the Father's will and demonstrate the supernatural power of God and his Kingdom.

***Join us as we take you on a journey to see our Church culture and community.***

## LIVING THE CHRISTIAN ADVENTURE

*"And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions"*

**Joel 2:28**

What an exciting life we have come into as believers. This is what the prophets of old prophesied about and what the men of old sought for: a people whom their God will not visit occasionally but live inside of them forever. This is what we have as believers: an amazing life. The Christian life is far from boredom, it is an adventure—a relationship with a God who is real and tangible. We see this and value the new life we have now received. This is why it is not strange for us to sit for hours learning God's word, it is not strange that we don't give up on the days of adversity, it is not strange that we rejoice over the truths that we hear as we learn about who we are in Christ. It is not strange that we are excited when we go to church because we will know what we can do in Christ and get to see our brothers and sisters as well. To us, every other thing pales in comparison to what we have in Christ.

## AFTER GOD'S HEART

We are deeply committed to fulfilling God's eternal plan for the Earth. **As Habakkuk 2:14** declares, *"For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."* We know that God desires every heart to be His home, every person to be part of His family, and the entire Earth to be His dwelling place.

This is why we are dedicated to soul-winning and discipleship—not as occasional events but as a way of life. Each member is committed to this divine mandate, engaging in evangelism and discipleship when we gather and in our daily lives.

Our goal is for every heart to acknowledge Jesus as Lord. We act to free those oppressed by the devil, heal the sick, uplift the despairing, and bring hope to those who feel hopeless. In our individual lives and community, we strive to advance God's kingdom and resist the devil's schemes. This vision compels us to prioritize God's plan above our personal and collective endeavors.

## A CLASSLESS GATHERING

**At Light of Truth Equipping Network**, we strive to build a community where everyone is welcome, regardless of who they are or where they come from. Our doors are open to all, no matter your race, age, social status, or influence.

This inclusiveness reflects the unity found in Christ as described in **Galatians 3:28** **“There is neither Jew nor Gentile, neither slave nor free, neither male nor female, for you are all one in Christ Jesus.”**

In our church, we do not place our value on things that fade away. A million richer or poorer, a skin tone lighter or darker, a different tribe or social status does not cause us to segregate or change our values. Rather, we value the sacredness of our bond in Christ, knowing that all who have drank of that one Spirit are not just our brothers but are members of one another

**(Rom 12:4-5; 1 Cor 12:12-14).**

With such a culture, everyone is seen, respected, and celebrated. Differences are not barriers but beautiful parts of our shared journey in the faith.

## SUPERNATURAL COMPANY

At Light of Truth Equipping Network, we believe that the message handed down from the apostles is not just a historical account but a call to live by faith and experience the power of God in our daily lives. We are committed to actively pursuing and demonstrating the workings of God's power—not just understanding it intellectually but seeing it manifest in our everyday activities.

For us, it is perfectly normal to experience the supernatural amid our natural routines. Imagine healing the sick on your way home from work, knowing a stranger's name without being told, or living a life filled with divine encounters—all of this is part of our reality. Our vision is to raise people who consistently demonstrate the supernatural power of God and His Kingdom, making it clear that these experiences are not just for a select few but are available to all believers.

We make it a point to show that the power of God is not inaccessible or reserved only for pastors. We teach and exemplify how every believer can walk in the possibilities that come with this divine power. In our church, you will find members commanding miracles, flowing with divine revelation and utterance, healing the sick, casting out devils, and fully embracing the life God's word says they can live.

At LTEN, we live supernaturally natural lives, exploring the depths of what it means to have God within us. Our community is filled with testimonies of members who raise the dead, heal the sick, prophesy, and see into the Spirit—all as part of their everyday walk with God. We are a supernatural company, where the extraordinary is our norm.

## COLLECTIVE GROWTH

No one is left behind in their walk with the Lord as we all keep learning and growing towards the measure of the stature of the fullness of Christ. Structures have been created to ensure everyone grows; we have extensive prayer times, evangelism, active discipleship systems, study of God's word, and constant practice of the supernatural.

### CELL MEETING - A CHURCH NEAR YOU:

One of these structures for growth is the cell groups. Cell Meetings are small family gatherings that bring the church close to you. These groups are designed to help your devotion to Jesus, propel your spiritual growth, monitor your welfare, and keep you accountable in a personalized and homely approach.

Each cell meeting is an opportunity to connect with others, build lasting relationships, be encouraged by the shared experiences of others, ask questions, and learn.

Wherever you are in Benin City, we have a cell group close to you.

## CHURCH AND EVERYDAY LIFE

At Light of Truth Equipping Network, we believe that God's Word is not just a set of abstract teachings meant to be stored in our books, but a guide for our daily lives. We understand that the Scriptures are meant to be applied, not just studied. When we gather to learn, we glean practical tools for living each day. Part of the mission is to make the Word of God a living, active part of our daily routine by showing people the reality of the Christian life and empowering them to walk in it.

## BEST OF BOTH WORLDS

Jesus said we are in this world but not of it. Yet, many Christians often overlook one of these profound realities. Some rely solely on their intelligence and natural abilities, while others focus exclusively on the supernatural, neglecting practical wisdom.

This imbalance isn't how God intended us to function. He provided us with natural and supernatural resources to live as a perfect blend of both.

At Light of Truth Equipping Network, we teach and model excellence in both realms, living at the intersection of the natural and supernatural. We understand the importance of receiving supernatural healing while caring for our bodies. We recognize the value of receiving words of blessing and lifting, and we also build the natural infrastructure necessary to sustain them.

We emphasize the effective use of spiritual gifts, training our members to be masters in the things of the Spirit. At the same time, we encourage excellence in every aspect of life—relationships, finances, education, career, and personal development. Our goal is to ensure that our daily endeavors are as excellent as our supernatural practices. The natural and supernatural are not in conflict; they complement each other. When Jesus walked the earth, He exemplified the life we are meant to live—a perfect blend of both worlds, with nothing being a limitation or restriction. This is how we strive to live, just as the Lord intended (Genesis 1:1).

## GOD'S WISDOM FOR LIVING

Living by God's Wisdom is one of our core values. We believe that the believer can only achieve true success and fulfillment by prioritising God's wisdom above all else. God's wisdom isn't just for special occasions or difficult decisions; but for our everyday lives. We teach our members to make God's wisdom the first resort and to seek it out in all areas, from relationships and work to finances and personal growth.

## “ A SANE SOCIETY THAT KEEPS US AWAY FROM THE CRAZINESS OF THIS WORLD ”

In a world filled with noise, distractions, pressure, social media craze, dissimulation, and stress, our community provides a place for peace, direction, and purpose; a sane society. We offer a place where you live by the standard of God's word, to grow in a process without pressure and comparisons.

Most importantly, by our teachings, we provide the right perspectives to judge various issues surrounding lives, so you can see things the way God does and do not have to look to this present morally decadent world.

### LOVE AND FELLOWSHIP

We are dedicated to loving one another as Christ loved the Church—with a selfless and sacrificial love that transcends differences and unites us. Scripture teaches that love is the fulfillment of the law and the debt we owe each other (**Romans 13:8**). Therefore, we strive to live in a way that fulfills this debt in all its forms: through forgiveness, hospitality, mercy, patience, goodness, longsuffering, honor, respect, bearing each other's burdens, compassion, and more. At the same time, we are committed to binding the works of the flesh (**Galatians 5:19-21**).

We believe in extending grace to one another, recognizing that none of us are perfect but that all deserve love and forgiveness. Reconciliation is our goal—mending broken relationships, healing past hurts, or simply maintaining peace and unity among us.

We stand by each other through the good times and the bad, celebrating and supporting one another in adversity. We are committed to ensuring that everyone experiences the fullness of being part of God's family, where we can confidently say to one another in words and deeds, "Your God is my God, and your people are my people."

In this house, love leads to growth. Together, we grow in faith, character, and our relationships with one another. Our commitment to these values creates a home where everyone is encouraged to become the best version of themselves.

### A PEOPLE OF HONOUR

We show honour to one another, from our earthly family to our supernatural family, we accord and treat one another with respect. In how we relate, in our speech, in our conduct, we see each other as the temple of God and nothing less. We recognize those that are placed over us in this family; from our Senior Pastors and the pastorates to unit leaders and cell leaders, and accord them with honour in our words and actions. **1 Timothy 5:17** "Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine."

### ONE BODY, MANY PARTS

At LTEN, we believe in functioning as one unified body, where each person plays a vital role in fulfilling God's will on Earth and for the growth of the Church. Inspired by the teachings of Romans 12 and 1 Corinthians 12, we embrace the truth that every member is essential and uniquely gifted for a purpose.

**Romans 12:4-5** reminds us, "For as we have many members in one body, and all members have not the same office; so we, being many, are one body in Christ, and everyone members one of another." Here, we recognize that just as each part of the human body has a specific function, each person within our church has a unique role. No matter how seemingly small or hidden, every contribution is valuable and necessary for the health and growth of the whole.

1 Corinthians 12 further deepens this understanding by comparing the church to a body where "The body is not one member, but many" (**1 Corinthians 12:14**). This passage emphasizes that no part is too small or insignificant. Just as the eye cannot say to the hand, "I have no need of you," so we understand that every person, regardless of their gifts or background, is indispensable to our mission.

We are committed to helping each person discover and develop their God-given gifts, so they can contribute fully to the work God is doing through us. By functioning together as one body, we ensure that the will of God is accomplished on earth through our collective efforts.

LTEN is one big family united in purpose and bound by love. We invite you to join us on our journey and find your place in this body, knowing that you are an integral part of something much greater.

Welcome home.

**There is a place for you.**

# GO INTO ALL THE WORLD

*"And he said unto them, Go ye into all the world, and preach the gospel to every creature..." Mark 16:15*

*"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you..."*

**Matthew 28:19-20**

God's global vision for the Earth is to cover the Earth with His glory, saving one soul, one street, and one city at a time till all the Earth submits to His Lordship. The Lord Jesus gave us this mandate before He left this seen world and we are obedient to this high calling.

Through the arm of the ministry, **Truth to the Nations**, we have held several mass evangelisms, Gospel campaigns, street invasions, village outreaches, and Supernatural activation meetings to multiply God's influence in different places.

Truth to the Nations is about going to a land where the Lord sends us to do His will, which might include establishing a new work for the Lord in that place. We are not disobedient to this heavenly vision, but are as passionate about it as God intends, therefore we have established a gathering of Light of Truth Equipping Network in the western part of Nigeria, Abeokuta, Ogun state.

The mission in Abeokuta commenced on the 22nd of April 2024 with a 13-man team that also included our Sent-man, Reverend Eghosa Alvin Osunde. We set out to show the truth about the worship of God: to eliminate the shadows, and to portray God as clearly revealed in Christ to the people of the West.

With the vision being utmost in our hearts, evangelism began the next day, on the 23rd of April 2024. In the power of the Spirit, the team won over 100 souls for the Lord in two weeks, demonstrating God's love, goodness, and power.

Some of the team returned to Benin but 6 others remained, including Pastor Samuel Morenikeji, to disciple the souls won and to ensure the work grows.

After about a month, a gathering for discipleship and accountability started being held on Sunday mornings and Tuesday evenings. We can refer to those members of our family as the Church in Abeokuta.

*"Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ."*

**Romans 15:18**

*Following the honourable example of apostle Paul, the team preached with signs and wonders all over Abeokuta for the Lord was working with them. One of the notable ones was the deliverance of a well-known madman at the Agbeloba junction, Abeokuta, Ibrahim.*

"On one afternoon, while I was on my way back after our routine evangelism, I saw a madman standing at Agbeloba junction who had just harassed someone. I had walked past him, but I felt a prompt to go to him. I thought to continue on my way home to rest because I had been exhausted from the day, but then I realized that it had to be the Spirit of the Lord leading me. So, I walked back to where he was now sitting and I sat close to him. Immediately he saw me, he was taken aback and moved to attack me.

Then he said "You. I have been seeing you. what do you want from me? Do you think I don't know why you are here? what do you want from me? Leave me alone." I knew it was the demon speaking through him, so I did not engage him. I stood up and looked into his eyes fearlessly. The people around were trying to get my attention, they were screaming "He's a madman. He's going to attack you."

The demons kept talking "You are the man of God, you have come. We have been seeing you preaching." Then, I commanded the devils to come out of him. Immediately I gave the command, he became more violent and was shouting in gibberish, which drew the attention of people from a distance and a crowd started forming.

I kept rebuking the devil, but I didn't touch him at first. He tried to attack the people in the small crowd, then I commanded him to come back to where I was. He turned and charged towards me and when he came close, I laid my hands on him and he fell on the ground. I bent towards him, placed my hands on his head, and cast out the devil. He gradually got calm, so I raised him and took him away from the ground.

I asked his name and he said it was 'Ibrahim'. I talked to him and he gave me coherent responses. He cried in shame when he realised how haggard and dirty he looked. Just then, I saw some of my brethren and we took him to cut his hair and have his bath and began working with others to integrate him back into society."

**\_ Jeremiah Igili**

*Today, Ibrahim is sane, born again, and filled with the Spirit. Glory to God!*

"My partner and I were standing in front of a compound, sharing the Word with a group of children. Suddenly, a woman came out from the house, shouting in pidgin, "Make una call Stephen, na him need this preaching." (Call Stephen, he needs the preaching).

Curious, I asked the kids about Stephen. They said he was a known thief and a stubborn young boy. They often scorned and called him 'ewúré', meaning goat in Yoruba. They pointed out that he wasn't home at the moment, so we continued preaching.

After some moments, a boy walked by. The kids immediately started shouting, "ewúré! ewúré!" It was Stephen.

It felt like his life had been orchestrated to be there at that exact moment. I called him over gently, leading him to a quieter spot away from the others and preached the Gospel to him.

As I talked, I could see the tough exterior begin to crack. He had no resistance, but listened with his heart wide open. He became very sober, remorseful for all he had done and open to receive the Lord. I got him filled with Spirit immediately and he spoke in tongues.

I encouraged him to keep praying and to speak God's word over his life. Weeks later, he testified that he had not stolen since that experience."

Stephen has become a changed boy and has been growing in the faith. Hallelujah!

"We visited an elderly woman in her seventies who had been suffering from pain in her waist and a strange sensation in her stomach. She welcomed us and shared her discomfort. We prayed, and just like that, the pain vanished.

Then we preached to her to receive the Lord and the baptism of the Spirit. As we talked, she mentioned she'd been a Christian for decades but had never received the baptism of the Spirit. She had longed to speak in tongues for over 30 years.

"You'll speak today," I told her with certainty. We explained what it meant to speak in tongues. Her daughter was beside her, listening intently. We prayed for both of them, asking them to open their mouths and speak. But instead of tongues, they began speaking in Yoruba.

We paused, gently corrected their understanding, and prayed again.

This time, something beautiful happened. The woman's face lit up, and soon, both mother and daughter were joyously speaking in tongues.

The elderly woman was so full of joy, she couldn't stop. We left to continue preaching elsewhere, she kept speaking, but on our way back, we heard she was still speaking in tongues, her heart ablaze with a newfound passion and joy."

*\_ Abigail Akhaehomen*

“There is a chorus on the lips of every member of this local assembly, almost like a sigh of relief, a breath of fresh air, and a song of freedom. It consists of only four words: “simplicity of the supernatural.”

Let’s talk about me. I joined Light of Truth Equipping Network six months ago. I had just started walking with the Lord a year before, still bearing much distrust for the church. But there was one place God knew I’d be safe and well-fed, one of His men He could trust with my growth.

My cousin invited me to LTEN, and I came with my guard up. These defenses didn’t last a week of experiencing Truth, Supernatural service, and Christ’s revolution. I went home, and the first thing I said to God was, “This is a true church, the church of the Bible.”

On that first day, I met the teaching series “Who is Like Unto God: Understanding the Preeminence of Jesus.” The true nature of God was revealed through a critical study and interpretation of the Bible. I learned how proper Bible study is done in the foundation class. The shadows and knots in my mind, due to wrong interpretations of Scripture, were illuminated and eased out at once! My worship of God changed. I ran out of things to fear.

Now, let’s get back to the simplicity part.

I never could place ‘ease’ alongside the power of God, not even in a sentence. It went from a mere declaration of “I have the Spirit of God; I have the power of God in me” to praying for the sick and watching them get healed—without having to fast for 21 days! I have not seen the supernatural—supernatural beings and the heavenly world—explained in proper biblical context without an eerie atmosphere or a mystic rhythm to it. I have never understood the believer’s authority in such a simple and practical sense; again, one that goes past mere declarations, with a stirring to do the things Jesus commanded!

Being in church feels like a warm embrace, with everyone submitted to God, the Lordship of the Word, and our sent man, Reverend Eghosa Alvin Osunde. There is a fountain of love that flows from one to another. LTEN didn’t just change me spiritually, it also serves wisdom for natural living. It has been a robust learning that has driven me to be the best of both worlds. I have seen growth that I never knew was possible. I have come to know God’s Word, and I have seen the true success of being a believer.

With a radiant face, the light of this truth has equipped me, and with such a powerful network, I know that more transformations await... and I cannot wait to behold them!”

# HOW LTEN CHANGED MY LIFE

## Smile A.

“When I look back at where I was three years ago and where I am now, I can’t help but be grateful for my pastor and my local church, Light of Truth Equipping Network.

Since I joined LTEN in 2021, I’ve learned to prioritize God’s Word and developed a zeal for the supernatural. My heart has been stretched and enlarged to believe in and dare to do supernatural things. I mean, I never could have imagined that I would see a deaf and dumb person and feel the urge to pray for their healing. Not in this lifetime could I have imagined that I could be used by God like that, but since I joined LTEN, I have received the boldness to be God’s man on the earth.

I am also grateful to my pastor for the prophetic words I have received over the years. They have kept me going, kept me on my feet in difficult times, and charted the course of my life. I remember one time I was contemplating whether to find something new to do for money and that weekend in church, I received a word concerning that very thing I had been thinking about during the week. It nudged me in the right direction—what timeliness. It meant a lot to me because I was reminded again that God cares about every single thing in my life.

There is also another benefit of being a member of LTEN: you become wiser and smarter in your everyday living. It’s almost like your IQ increases, and I’m speaking from experience because of the way I used to reason and think before I joined this ministry and the way I think now—the difference is like night and day. Consistently sitting under my pastor’s teachings has helped me navigate my life better in the natural world because of the wisdom I’ve received over the years.

I’m grateful for the quality of relationships I’ve formed in LTEN. I’ve made friends for a lifetime here. The family, the togetherness, the bond, the love, and care—all these and so much more I’ve experienced since I joined this ministry.

I’m grateful for my pastor and everyone I’ve grown close to in LTEN. My life has changed for the better!”

## Christian O.

“I remember how I used to desire the gift of interpreting tongues before I came to LTEN, and in just two months of joining, I was already interpreting tongues. I never knew it was that simple until Reverend explained how to interpret tongues at my first Holy Ghost meeting.

Since I joined LTEN, which is almost two years now, I have been flowing in almost all the gifts of the Spirit. Reverend Eghosa has made spiritual things that previously seemed hard, simple for me. Before I came to LTEN, the only thing I could do was speak in tongues, and sometimes when I prayed for the sick, they would get healed, while other times they wouldn’t.

One of the words Reverend gave in one of our meetings was, “Some persons are marked out for special miracles.” This word has been working for me, and it’s not done yet. I now have a clearer path in my career through the words Reverend gave me.

I have a better walk with the Lord because of Reverend’s teachings. Evangelism has become a great desire and delight for me. I have held onto some of Reverend’s quotes, which have become wisdom I live by, such as: “The supernatural and the natural are not fighting; they complement each other.” “Don’t judge in the flesh what you got in the spirit.” “God is dedicated to leading believers.” “Without sound doctrine, our worship of God will not be effective,” etc.

LTEN has blessed me with the best people in my life, people who have been very helpful in offering wisdom and counseling, and encouraging me in my spiritual growth. Someone here was also instrumental in helping me get my first job—the list goes on.

I am very grateful for LTEN.”

## Blessing Enabulele

“As a young man who has suffered greatly at the hands of religion, I felt completely liberated when I first heard about the love of God and eternal salvation in its pure form.

I knew there was so much more to know about our God; after all, I had always had a wrong understanding of who God truly is. I heard about LTEN and our Reverend while I was still schooling in the East, and I resolved in my heart that as long as LTEN was in Benin City, I would spare no resource to make sure I visited. And boy, it is one of the best decisions I’ve ever made!

When I finally visited, to my greatest amazement, the topic being taught at the Truth Experience meeting was The Truth About God’s Sovereignty, and one of the emphases that day was a case study of Job. I learned about the true nature of God and how God doesn’t afflict. It was a complete eye-opener for me. This is what I had been looking for, and I have found it! I still remember my first Sunday meeting (then Christ Revolution meeting). The topic was The God-Conscious Man (I highly recommend you get that message). I saw the power of God demonstrated by our Reverend, and not only that, we were taught how to do the same. I have found a home, and there’s no going back for me.

Over the years of being a member of LTEN, I have seen and experienced massive growth in my life and ministry. I can do the work of Jesus now. I am now God’s man and can flow in the gifts of the Spirit. I found a family by attaching myself to this local church. The bond among members is unlike anything I have experienced anywhere else. The love is palpable—you can touch it. Everything in LTEN is deliberately tailored for your spiritual growth and love walk. For me, I have come to love the Lord more and more and to desire to bless as many lives as I can.

I bless the Lord for the day I first heard the name Reverend Eghosa Alvin Osunde. I thank God for using him to bless me and to help my life in no small way. I am a man completely blessed by God with the gift of our Reverend.”

## Ghomorai M.

I am forever grateful to God for the gift of my Pastor, Rev’d Eghosa Alvin Osunde and LTEN. Being part of the LTEN family has answered the most pressing question in my heart: “What is God’s will for my life?” I remember how confused I was until I attended my first LTEN meeting in 2018. In LTEN, I have learned and continue to learn the importance of a spiritual community, who I am, what I have, and what I can do in Christ. I have witnessed firsthand that no believer is useless and that I have a role in what God is doing on Earth.

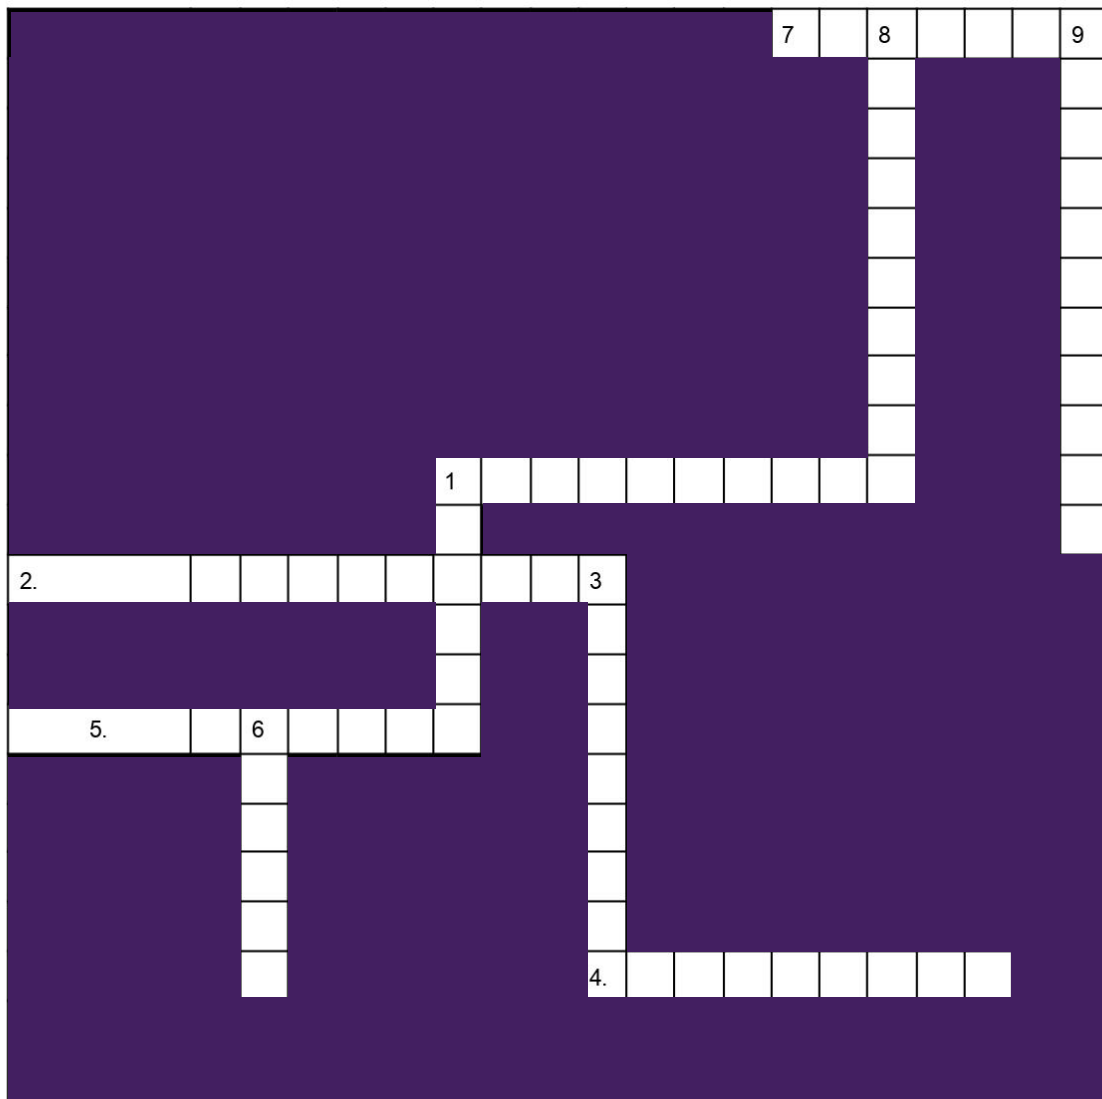

I used to think I could only get people filled with the Spirit through extensive fasting, prayer, and waiting until God granted it. Everything changed when I attended meetings where Reverend taught God’s Word clearly and demonstrated it practically. For the first time, I can lead people to salvation and see them filled with the Spirit on the spot. My life has been transformed by the knowledge that I can be used by God to bless others.

Following Reverend has taught me to love and prioritize wisdom, not only in spiritual matters but also in everyday life. I now live consciously as a person who operates in both worlds. Thank you, Papa, for your labor of love over me. I have a family (LTEN) to call my own, I am in the will of God, and I am better for it.

Uwese, sir.

# PROJECTS AND UPDATE

As a ministry, **Light of Truth Equipping Network** is at the heart of God's plan for awakening the Church to all that they are in Christ. We have taught believers the truth of God's word—that they may not be deceived—and raised people who can flow in all the gifts of the Spirit and are useful for the work of the ministry, not just in our local Church, but all over the country and the world.

We know that more people need to hear this good news and realize that they too can heal the sick, cast out devils, and prophesy as Jesus said we all would. In this upcoming year, we seek to expand our reach with a variety of publications that will teach the truth of God's word, activate believers in the supernatural, and reveal God's purpose for the season.

We seek **collaborators** who will work with us to equip saints through our conferences, interdenominational programs, YouTube channel, website, and other publications.

Currently, we have a series of projects lined up to improve our **media quality and reach** as well as complete the **building projects in our Church site**.

We have a current budget of 105 million naira which includes necessities as a building containing offices, toilets, children's church and smaller halls for other operations and arms of the ministry to kickstart; 24-hour light supply; a new camera and media tools; technical improvements for sound; and structural and aesthetical improvements for our hall.

We also seek **partnerships** for missionary work to different places around Nigeria where the Lord sends us.

We are looking at the **largest potential impact** for the gospel we have ever seen. For a consistent contribution of any size, you can join LTEN as a partner. We ask that you give to the ministry regularly, whether weekly, monthly, quarterly, or biannually. Through these constant, regular offerings we can make accurate and prudent plans.

As a **partner**, you will regularly get ministry updates and information on how your financial contribution to the kingdom is being used. We pray for our partners and let them know where the Lord is directing us.

Thank you for helping us equip the saints for the work of the ministry. Thank you in advance to those who will take on the challenge of sending the Gospel around the world. And a special thank you to all our faithful partners who have already done so much.
